TELNET ASSIGNMENT

After confirming installation of Telnet Client, I proceeded to run the command "telnet towel.blinkenlights.nl" which when I clicked entered, I accessed an ASCII art animation that is a humorous and creative representation of **Star Wars: Episode IV - A New Hope**.

The story follows the main plot of **Star Wars: Episode IV - A New Hope**, depicting key scenes in a simplified manner. I saw two main characters:

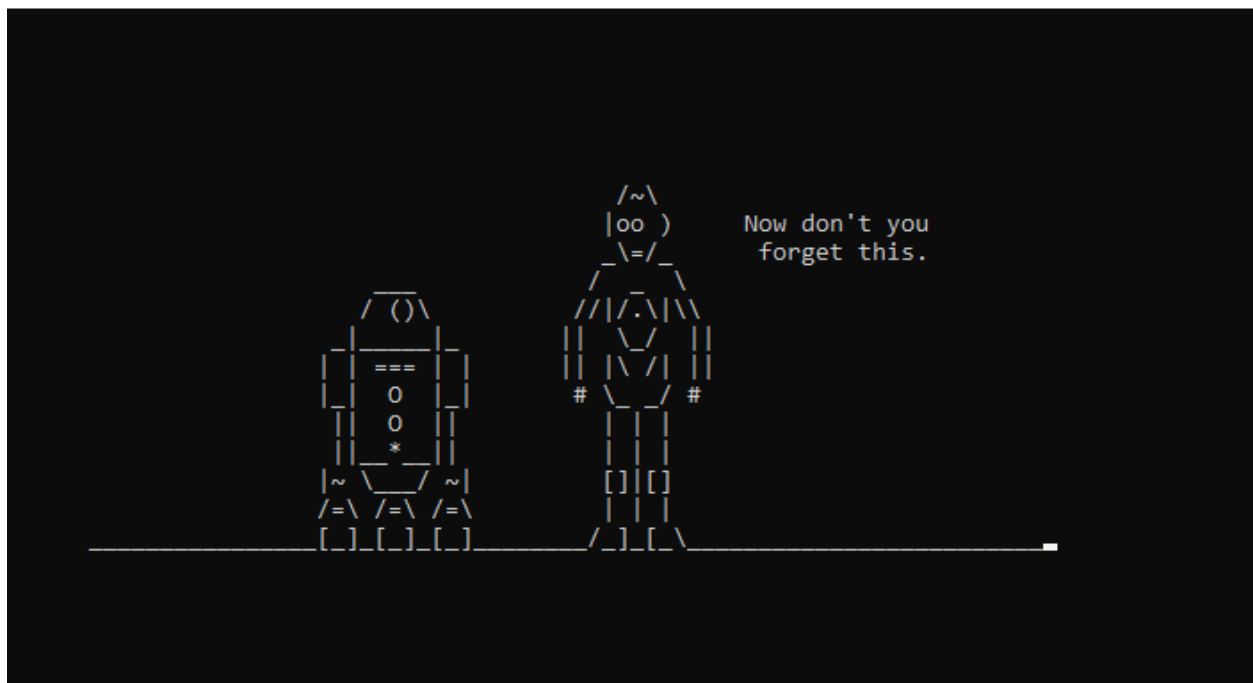

- **Red:** Represents the character who experiences betrayal and confusion regarding his journey.

- **Uncle Owen:** Another character involved in the communication, providing commentary on the events happening throughout the animation.
- **The main theme was :** The animation captures the essence of friendship, adventure, and the struggle against evil, which are central themes in the **Star Wars** saga.
- **Notable Elements:**
 - **Robot:** Various robots (droids) appear throughout the animation, consistent with the *Star Wars* universe, adding a comedic flair and aiding in storytelling.
 - **Transport:** The animation features a humorous take on space travel and the use of transport ships, alluding to the iconic Millennium Falcon and other vehicles from the franchise.
